3. Initiation Fee. At the Closing of the initial Lot sale, after the residence has been constructed, and the title is transferred to the homeowner, the new Owner shall pay to the Association an initiation fee of \$400.

4. Maximum Assessments. Until January 31 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment for each Owner shall be \$200.00. Thereafter, the maximum annual assessment may be increased, but such increase shall not be more than ten percent (10%) greater than the maximum assessment for the previous year for the aggregate of all items included in the annual assessment, without a vote of a majority of Members who are voting in person or by proxy, at a meeting duly called for this purpose. The Board of Directors shall fix the annual assessment at an amount not in excess of the maximum.

A portion of such annual assessments may be set aside or otherwise allocated in a separate reserve fund for the purpose of providing repair, replacement, removal and demolition of the Common Elements, the Association Responsibility Elements, or any capital improvement that the Association is required to maintain. The Directors of the Association shall be responsible for establishing the funding levels required.

Once the Declarant or Association, as applicable, has given the Owners written notice of any change in the annual assessment or any special assessment, the Declarant and Association shall not be required to submit annual statements for assessments to any Owner. All annual payments (and any special assessments that can be paid on an annual basis) shall be made annually on or before January 31. Any special assessments that cannot be paid on an annual basis shall be due and paid as stated in the notice of such special assessment, which due date can be no sooner than thirty (30) days after such notice is mailed to Owners.

5. Special Assessments for Capital Improvements and Operating Deficits; Fines. In addition to the annual assessments authorized above, the Association may levy a special assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement that the Association is required to maintain or for operating deficits that the Association may from time to time incur, provided that any such assessments shall have the assent of a majority of the votes of all classes of Members who are voting in person or by proxy at a meeting duly called for this purpose, with regard to class designation. If the Board of Directors adopts any schedule of fines as a remedy for violation of the rules and regulations of the Association or this Declaration, then the imposition of any such fine after notice and a hearing before the Board of Directors shall be a special assessment against the Owner found to be in violation and the Lot owned by such Owner.

6. Notice and Quorum for Any Action Authorized Under Section 3 and 4. Written Notice of any meeting called for the purpose of taking any action authorized under Section 3 and 4 shall

be sent to all Members not less than five (5) days nor more than fifty (50) days in advance of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast sixty percent (60%) of all the votes of the membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

7. Uniform Rate of Assessment. Both annual and special assessments (except for fines) must be fixed at a uniform rate for all Townhome Lots and for all Single-Family Lots and may be collected on a monthly basis. Current rates are as depicted on the attached Exhibit "A."

8. Date of Commencement of Annual Assessments; Due Dates. The initial Annual Assessment shall be at the Closing of the transfer of title from the Declarant to the initial Purchaser, and on the 31st of January each year thereafter. LOTS OWNED BY THE DECLARANT THAT DO NOT HAVE COMPLETED LIVING UNITS CONSTRUCTED THEREON AND COMPLETED UNITS OWNED BY THE DECLARANT THAT ARE NOT SOLD, LEASED OR OCCUPIED OR THAT ARE USED AS MODEL UNITS OR SALES OFFICES SHALL BE EXEMPT FROM THE ASSESSMENTS DESCRIBED IN THIS ARTICLE IV AND THE ASSESSMENTS DESCRIBED IN ARTICLE VII. The maintenance responsibilities of the Association as to each Lot shall commence concurrently with the commencement of annual assessments. The insurance assessment provided for in Article VII shall commence as to each Lot on the date of conveyance of said Lot to an Owner (with a pro rata portion of portion thereof for the first year if the closing date is after the first of the year). The Board of Directors shall fix any increase in the amount of annual assessment at least thirty (30) days in advance of the effective date of such increase. Written notice of special assessments and such other assessment notices as the Directors shall deem appropriate shall be sent to every Owner subject thereto. The due dates for all assessments shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate in a recordable form signed by an officer of the Association setting forth whether the assessment on a specified Lot have been paid. A properly executed certificate from the Association regarding the status of assessments on a Lot shall be binding upon the Association as of the date of its issuance.

9. Effect of Nonpayment of Assessments; Remedies of the Association. Any monthly assessment not paid by January 31st and any special assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of twelve percent (12%) per annum or at the highest rate allowed by Iowa law, whichever is lower. In addition, any such assessment not paid within said time periods shall be delinquent and shall be assessed a late charge not exceeding ten percent (10%) of the delinquent assessment or ten dollars (\$10.00), whichever is greater. Any such late charge and interest on a delinquent payment shall also be part of the assessment against the Lot and subject to the lien for assessments created by this Declaration. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property in the manner provided for foreclosure of mortgage, or both, and there shall be added to the amount of such assessment all cost and expenses incurred by the association in collecting said assessments, including reasonable attorney's fees, whether or not legal action is required in connection therewith. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Elements or abandonment of the Owner's lot.

10. Subordination of Assessments Liens. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. The assessment shall be paid prior to or at the closing of sale or transfer of any Lot. The sale or transfer of any Lot shall not terminate the assessment lien against such Lot; provided, however, the sale or transfer of any Lot pursuant to the

foreclosure of any first mortgage on such Lot (without the necessity of joining the Association in any such foreclosure action) or any proceedings or deed in lieu thereof shall extinguish the lien of all assessments against such Lot that became due prior to the date of such sale or transfer.

ARTICLE IX GENERAL PROVISIONS

A. Right of Enforcement. In the event of a violation, or threatened violation, of any of the covenants, conditions and restrictions herein enumerated, Declarant, the persons in ownership from time to time of the Lots and all parties claiming under them, and the Association shall have the right to enforce the covenants, conditions and restrictions contained herein, and shall be entitled to recover reasonable attorney's fees and the costs and expenses incurred as a result thereof.

B. Amendment. Declarant may amend this Declaration at any time without the approval by the other Owners so long as Declarant has any ownership interest in any Lot. 3. that in the event of any defect in the verified claim or its filing and recording in the Office of the Recorder for Polk County, Iowa, no interested person or any claiming, by, through or under an interested person shall be entitled to assert such defect as a basis to avoid its duties and obligations under this Declaration unless, if such defect is in a claim prepared by any interested party, such defect is not corrected within thirty (30) days after notice of such defect to all interested parties;

4. that each interested party by acquisition of its interest in the Crossroads at The Lakes Plat 2, or under third Declaration, whether or not expressly provided in any instrument creating such interest, hereby waives its right to assert the failure to file any verified claim required by the Code of Iowa as legal basis to avoid any duty or obligation upon its and its respective portion of the Crossroads at The Lakes Plat 2 throughout the applicable period specified in this Declaration
